A Brief Report

The Annual College Fest was held on 19th December 2025 at Deshabandhu Mahavidyalaya Chittaranjan. On the occasion of the fest, inter- departmental competition was held. The various departments of the college actively participated in the program by preparing theme based charts and models. The main objective of the fest was to promote creativity, cultural expression, team work and leadership among the students.

Students of the department of History enthusiastically took part in the fest. They displayed excellent teamwork and coordination while preparing for the fest. The students of the department had chosen Santhal tribal culture as their theme. Santhals are found in Chittaranjan and nearby areas. Students had created a detailed model of a Santhal village. Along with model, charts were prepared on various topics such as Santhal tribal medicines, tribal music and culture as well as Santhal script. Special emphasis was given to the Santhal Revolution of 1855-1856. The role of Santhal men and women were also included in the charts displayed in the fest. The model and the charts were displayed in the departmental stall. The students confidently explained the charts and model to the visitors and the faculty members of the college.

The fest provided a meaningful and enriching experience to the students. It helped students learn about local culture and also promoted cooperation and teamwork among them. It provided them an opportunity to enhance their creativity. It was both educational and enjoyable experience for the students.
