Report on Observation of World Investors' Week

Introduction

World Investors' Week (WIW) is a global initiative promoted by the International Organization of Securities Commissions (IOSCO) to raise awareness about the importance of investor education and protection. This year, our college observed one day on 10th October to commemorate World Investors' Week from [7th to 11th October 2025] with the objective of enhancing financial literacy among students and encouraging responsible investment practices. This observation was sponsored by Security Exchange Board of India.

Objectives

- To create awareness about financial markets and investment opportunities.
- To educate students on the importance of informed decision-making in investments.
- To promote financial discipline and understanding of investor rights and responsibilities.
- To highlight the role of regulatory bodies such as SEBI in protecting investors.

Activities Conducted

During the week, an event was organized on 10th October 2025 by the Department of Commerce, Deshabandhu Mahavidyalaya along with SEBI Resource Person.

1. Inaugural Session:

The event commenced with an inaugural address by Principal Dr. Tridib Santapa Kundu who emphasized the relevance of financial literacy in the modern world. A keynote lecture was delivered by Dr. Baneswar Kapasi, Resource Person from SEBI and

Associate Professor of Commerce, Kazi Nazrul University, Asansol focusing on “Smart Investing and Avoiding Financial Frauds.”

2. Workshop on Investment Basics:

A hands-on workshop was conducted on topics such as stock market functioning, mutual funds, SIPs, and portfolio diversification. Students learned about the use of online trading platforms and investor grievance mechanisms.

Outcomes

- Increased awareness among students about financial planning and investment avenues.
- Enhanced understanding of investor protection mechanisms.
- Development of critical thinking about financial scams and fraud prevention.
- Promotion of a culture of saving and responsible investing among youth.

Conclusion

The observation of World Investors' Week in the college was a resounding success. It not only enriched students' financial knowledge but also instilled the importance of being vigilant and informed investors. Such initiatives contribute significantly to building a financially literate society and supporting the nation's economic growth.
