---

## BEST PRACTICE VII

1. **Title of the Practice:** Tasar Host Plantation
2. **Objectives of the Practice:** Social Outreach Activity and creation of self-employment in adjacent area.
3. **The Context:** Use of unutilized land of the college by planting Arjun seedlings and Tasar culture on the plantation created as a part of our social outreach programme. The programme is operated through a Self-Help Group (SHG) composed of the local people.
4. **The Practice:** Nearly 8000 plantations has been done with support from Dept. of Sericulture, Govt. of West Bengal. Local SHG has been given the responsibility to nurse the plants and to execute the process the Tasar Culture in the grown-up plants.
5. **Evidence of Success:** 8000 plants have been planted and they are being nursed by the members of local SHG.
6. **Problems Encountered and Resources Required:** The practice did not involve any financial obligation at the college end as it is completely Govt. Supported project. However, it required a bit of effort to plant the trees and deploy an SHG to take care of the plants.
7. **Notes (Optional)**
