111	138	5	1	255

The following points emerged from the analysis of students' feedback survey:

- Majority of the students are satisfied with the way of teaching and punctuality of their teachers in the classroom.
- Most of the students expressed satisfaction on extent of syllabus coverage within the stipulated time period.
- Majority of students think that the teachers' communication with the students was always effective and internal evaluation by teachers was also fair and unbiased.
- Most of them have the opinion that teachers guides them for overall personality development and uses ICT based methods for effective curriculum delivery.
- Majority students were satisfied with the overall teaching quality delivered by their teachers.
- Some students have sought for more cooperation and assistance from the office staff and library staff of the college.
- Some students were not highly satisfied with the availability of the prescribed books and reading materials in the library.
- A large number of students given the opinion to make the laboratories better equipped and suggested for proper cleaning and maintaining the toilets and washrooms.
- Some students are not highly satisfied on grievance redressal in time.

- Majority of the students are satisfied with the ambience and overall teaching and mentoring process of the college.

Action taken:

From the analysis it can be interpreted that majority of the students are happy with the overall performance of the college. Few students have some issues on drinking water availability, toilets and washrooms cleaning, laboratories, books availability in library. The IQAC asked the competent authority to consider and resolve the issues for overall betterment of the college. The college authority will take necessary steps to resolve the issues as far as practicable.
