Institutional Distinctiveness

For 2018-2019 and Beyond A Continuous Ongoing Project

The institute has clear and distinctive vision of reaching to unreached population of area by way of educating rural and semi urban students to achieve the goal of empowerment both in socio political and economic affairs. The priority of institute is to bring all students under the scheme of employability and empowerment so that all students irrespective of gender can avail the opportunity of skill acquisition for employability and to make themselves fit for Employable and empowered as well. The thrust area of institute is to explore the scope of employability in diversified areas of rural entrepreneurship so that each one can become 'Atmanirvar' and create opportunity of employment for others in micro level, besides this, students are also provided with the training to become social entrepreneur. The Institute has entrepreneurship and start-up development cell to encourage and trained students to become entrepreneur. This is how the Institute is on the path of outcome base education and the distinctiveness of the Institute is based on making continuous effort to add value in the life of students as future leader to bring change in socio- economic life of all.
