Recognised Under Section 2(f) & 12(B) of UGC

P.O. – Chittaranjan, District – Paschim Bardhaman, West Bengal,

India, PIN – 713 331

Title of the Event: GNSS and Applications of Digital Remote Sensing

Number of Participants: 50

Date: 27-28 May, 2022

Report:

A workshop on the topic of GNSS and Applications of Digital Remote Sensing was organized by Department of Geography under aegis with IQAC Deshabandhu Mahavidyalaya, Chittaranjan on 27-28 May, 2022. The main purpose of this workshop was to acquaint the students about the Global Navigation Satellite systems and application of digital remote sensing in the field of land use and land cover mapping, forest monitoring through digital image classification by Q-GIS software. Dr. Tridib Santapa Kundu, Hon'ble Principal of the college inaugurated the program and Dr. Apurba Kumar Roy coordinator of IQAC was also present. Dr. Mukul Kamle, Asst. Professor of Geography, co-ordinated the workshop. Two resource persons were Somnath Mahato, Engineer (Electronics and Communication, Microwave) and Prof. Santanu Jharimuni (Msc. in Geo spatial Science). Both of them instructed and helped the students to learn about the detail procedure of analysis and interpretation of satellite image through Q-GIS software in college computer laboratory. Around 50 students of Geography Department participated in this programme. They were very happy to attend such type of workshop in college.
