Title of the Event: Observance of “National Science Day”

Department: Physics, chemistry and mathematics

Number of Participants: 45

Date: 28.2.2023

Report:

In order to celebrate ‘National Science Day’ a seminar was organized by the departments of Physics, Chemistry and Mathematics on 28.02.2023 in collaboration with the IQAC, Deshabandhu Mahavidyalaya in the seminar hall of the college. National science Day is celebrated on 28th February in India. It is celebrated to commemorate the discovery of ‘Raman Effect’, led to the physicist C. V. Raman to win Nobel Prize. The objective of the program was to promote and nourish interest in science and technology and also to encourage the people to learn more about science. The theme of National Science Day 2023 was ‘Global Science for Global Wellbeing’. The program was inaugurated by Dr. Tridib Santapa Kundu, the Principal of our college. The coordinator of IQAC graced the program with his valuable speech. The invited speaker Dr. Kousik Mukherjee, Associate professor of physics of B. B. College, Asansol with his informative and interesting lecture really enlighten all the audience. He explained the unique properties of light in a very easy, interesting and extensive manner. Prasun Roy, a member of Paschim Bardhaman Vigyan Mancha also enriched us with his speech on importance of science, After the lecture session a poster presentation session for the students were also arranged. About ten students participated in the poster session. All the participants presented their posters in well mannered. Top three presenters got award as a token of appreciation. A quiz competition was also a part of the program. The program was ended by vote of thanks to all the stakeholders.
