Title of the Event: SKILL DEVELOPMENT: OPPORTUNITIES AND CHALLENGES

Number of Participants: 80

Date: 25.6.2022

Report:

A Skill Development webinar was organized by Training and Skill Development Cell under the aegis of IQAC, Deshabandhu Mahavidyalaya on June 25th, 2022 in the college Seminar Hall in the presence of the head of the institution Dr. Tridib Santapa Kundu, Co-ordinator of IQAC Dr. Apurba Kumar Roy, Convenor Smt. Sanchita Hazra and Shri. Prankrishna Biswas and other teaching staff across all disciplines. The event was executed successfully with the help of the participants from our college and from other colleges across our state.

The event was a part of one of the various technical, cultural and social events organized under the shadow of IQAC. The event was organized with the objective to provide platforms for the students to ask their queries related to skill development and how they can ensure their future after acquiring skills and which skills are necessary to lead a better life. Our invited speakers who has made this event a grand success and attracted more than 100 registration for one day state level webinar (hybrid mode).

Apart from specialized training in different subjects offered by the various Honours courses, the importance of developing skills necessary for building a successful career cannot be stressed enough for the empowerment of the Indian youth in today's time. With this particular objective in mind our college organized a webinar on Skill Development. We invited resource persons from West Bengal State Council of Higher Education, Joint Secretary, Dr. Maitri Ghosh and Dr. Mainak Ghosh, Head of Department of Architecture from Jadavpur University.

The seminar commenced with the introductory addressed by Dr. Tridib Santapa Kundu, Principal, Deshabandhu Mahavidyalaya, Chittaranjan. He urged the participants to absorb the lessons and advices that were to emerge during the course of the seminar. The proceedings should, he noted, inspire our students to become more rounded and competent individuals who could contribute to build a better India. The speakers addressed the students on various issues pertaining to build a skill-set that would make them readily employable. The importance of acquiring computer skills was repeatedly emphasized, along with the need to venture into other modes of vocational training that could build a bridge between companies looking to hire (especially in the private sector) and those seeking jobs as freshers. The speakers also mentioned about the Eleventh Five Year Plan of India make students aware about the jobs that are in high demand like AI and Machine Learning Specialist, Data Analyst and Scientist, Information Security Analyst, Big data specialist,
