6) Organized By: Dept. of Bengali

7) Venue:

9) Methodology: (c) To increase knowledge in Bengali idioms, rhetorics etc. It's absolutely no one way lecture method. Funny games are used and popular anecdotes are referred to the participants are in active mode to interact with the teacher. An unconventional way to learn Bengali.

10) No. of teachers from the College who have attended:

11) No. of students from the College who have attended:

12) Outcome: With the proliferation of English medium schools right from primary level in urban, semiurban and even rural areas of Bengal, less emphasis on Bengali language in the school curriculum and most importantly indifferent attitude of many parents of Bengali kids, the richness of Bengali language and literature remain elusive for a great number of Bengali speaking young boys and girls. But the enthusiasm of these young boys and girls witnessed when the programme was in progress is a clear evidence that Bengali language, if taught with fun, will definitely be attractive to the young learners of Bengali language.
