TITLE: WASTE TO WEALTH: A RECYCLING WORKSHOP FOR SUSTAINABLE LIVING

Date: 24/03/2023

Venue: Mahismura, Salanpur Gram Panchayat

No of Students Participated: 10

Objectives:

The objective is to promote environmental sustainability and empower participants with the knowledge and skills to creatively repurpose waste materials, contributing to a circular economy and to raise awareness about the importance of waste reduction, recycling, and upcycling while encouraging participants to adopt sustainable practices in their daily lives.

Beneficiaries :

Residents of the village, environmental enthusiasts, and individuals looking to learn about recycling techniques

Program outcome and impact:

1. Promotion of recycling practices,
2. waste reduction awareness and community-driven sustainability.

Report:

Deshabandhu Mahavidyalaya hosted an enriching workshop on "Waste to Wealth: A Recycling Workshop for Sustainable Living." The workshop focused on innovative recycling methods and waste reduction strategies, encouraging participants to turn waste into valuable resources. Students from the department of History and Bengali (10 students) under the guidance of Social outreach and extension activity committee IQAC demonstrated practical techniques for upcycling and repurposing materials, promoting sustainability. The event inspired a sense of environmental responsibility within the community, fostering a commitment to reducing waste and creating a
