ABOUT THE COLLEGE

Deshabandhu Mahavidyalaya, an affiliate institution of Kazi Nazrul University, Asansol and a registered academy of the University Grants Commission imparts instructions on Honours and general degree courses in Science, Humanities and Commerce streams and professional degree courses in BBA & BCA.

Established in the year 1973, under the aegis of Chittaranjan Locomotive Works, Hindustan Cables Ltd. and a group of philanthropists, it traversed a terrain of hard times and had landed, with the blessings of the Govt. of West Bengal, the U.G.C., the CLW, the HCL, the people of the locality and many other well-wishers, to a plateau ultimately.

The college admits students in Honours Courses in Physics, Chemistry, Mathematics, Economics, Bengali, English, Hindi, Political Science, Philosophy, History, Sanskrit, Accountancy and Geography and General Courses in Bengali, English, Hindi, Sanskrit, Economics, Political Science, Philosophy, History, Geography, Physics, Chemistry, Mathematics, Commerce and Computer Science.

ABOUT THE TOPIC

A society cannot flourish without maintaining an ideal moral atmosphere. If a moral standard is not enforced, there result chaos and confusion in the society. People cannot conduct their lives in peace and prosperity unless here is rule law and justice.

Our ancient literature comprises works like Vedas, Epics, Puranas, Smrtisamhitas, Treatises on Philosophy and so on. In almost all of them we come across valuable materials on the practice of morality by stalwarts of the society, a study of which help us to understand the social fabric of our society. We should not disregard the past, because our present is rooted in it and in its turn, the future is rooted in the present.
