Action taken Report:

From the analysis it can be interpreted that most of the faculty members are satisfied with the curriculum and infrastructural facilities provided by the institution. Based on the analysis, IQAC in consultation with principal, called for meetings to discuss raised issues and suggestions. Accordingly, It was decided that necessary actions will be taken.

Area of consideration	Action Taken
More Improved ICT facility	The principal said IQAC that in earlier sessions, the college has already worked on improving the ICT facility. He mentioned that five smart classrooms with

	projectors have been developed, a seminar room has been designed, wi-fi facilities have been improved. In addition he ensured that more and more work would be done by the administration to develop more improved ICT infrastructure.
More equipped laboratories	The Principal invited equipment requirements for laboratories from the departmental coordinators and informed that for funds he will discuss the matter with Governing Body.
Assistance to participate in conferences, seminars and symposia.	The college authority ensured to provide financial assistance to the faculty members to attend conferences, seminars and symposia.
Maintain hygiene in canteen	It was discussed that the Canteen Committee should take proper action in consultation with principal.
Need of incorporation of current content in the curriculum	In this regard, the affiliating university, Kazi Nazrul University has already implemented NEP 2020 and thereby new curriculum and courses have been introduced. Additionally the institution has been conducting add on courses and the faculty members got opportunity to prepare the syllabus of these courses.
