As an affiliating institution, the institution adopts the syllabus prepared by the affiliating university. In this context, the institution has been conducting add on courses and got opportunity to prepare the syllabus of these courses. Some of the faculty members are

assigned as member of board of studies of the parent university. As an affiliating institution and governed by the State Government there are some limitations, the college has to depend on Government grant and other grants for developmental work. The college authority asked the departments to submit the requisition of books for the respective departments and the purchase of the requisites books has been completed. In order to increase the students' attendance, it was decided to make the teaching learning process more interactive by the teachers of their own way.
