Considering the observance of World AIDS Day on 1st December, Deshabandhu Mahavidyalaya organised AIDS awareness rally programme in the surroundings of Amladahi market area. The main purpose of the programme was to raise awareness about the disease and social needs of the people living with HIV. Prof. Tirtha Mondal, Programme Officer, NSS discussed about the sign and symptoms, precautions and preventive measures of the disease to the people gathered in the market area. The disease is not spread with simple touching or talking so the programme helped to understand the people how to spread the disease and how to treat with AIDS patients.
