Report on Faculty Exchange Programme, (MoU Activity between Deshabandhu Mahavidyalaya, Chittaranjan, and Kulti College, Kulti)

Date of MoU Activity: 03.01.2024

Activity Under MoU: Invited Lecture

The programme started with Principal, Dr. Tridib Santapa Kundu, along with IQAC Coordinator Dr. Apurba Kumar Roy and the distinguished scientist and academician, Dr. Sourav Saha from Kulti College, Asansol. Dr. Saha delivered an informative and insightful lecture titled "**Classical mechanics: useful or useless?**". The engaging discussion not only offered a stage for individuals from diverse backgrounds and age groups to reflect upon the classical macroscopic world but also motivated participants to investigate and inquire into the scientific aspects of their surroundings. Utilizing daily life examples from nature and presenting evidence, Dr. Saha stimulated critical thinking among the audience, encouraging them to analyze information and draw conclusions. He suggested an innovative approach of gathering school students from this industrial area, providing them with the opportunity to interact with eminent and experienced academicians from colleges in the region. This initiative aimed to attract and encourage students to explore the domain of fundamental science and research.
