Action taken Report:

From the analysis it can be interpreted that majority of the students are happy with the overall teaching learning and infrastructural aspects of the college. Few students have some issues on drinking water availability, toilets and washrooms cleaning, laboratory equipment, books availability in library. Based on the analysis, IQAC in consultation with principal, called for meetings to discuss raised issues and suggestions. Accordingly, It was decided that necessary actions will be taken.

Area of consideration	Action Taken
Adequate availability of prescribed books and reading materials in the library	The principal discussed the issue with librarian and she was asked to work further on this area. She was asked to raise the requirement of books from teachers of all departments and make a pool of books that can be purchased for the library.
Availability of drinking water	The Principal discussed the matter in Governing Body and it was decided that some water purifier machine will be installed in the college campus to ensure the availability of adequate drinking water.
To maintain cleanliness in toilets and washrooms.	The persons having the responsibility of maintaining the cleanliness in toilets and washrooms were asked by the Principal to take the necessary measures.
More equipped laboratories	The Principal asked the departmental coordinators to submit their equipment requirements for laboratories and informed that for funds he will discuss the matter with Governing Body.
